

**MINUTES OF THE
WATER PROJECTS COMMITTEE
July 7, 2026**

The meeting of the Water Projects Committee was called to order at 9:00 A.M. on Tuesday, July 7, 2026 by chairman Ralph Anders, at the office of the Central Colorado Water Conservancy District located at 3209 W. 28th Street, Greeley, Colorado. Committee members present were Ralph Anders, Calvin Goza, Travis Hergert, Alan Mazzotti, Chad Schafer and Bret Schmidt. Other board members in attendance were Randy Knutson, John Mark, Doug Dill and David Eckhardt.

Staff members present were Randy Ray, Executive Director; Billy Mihelich, District Engineer; Abby Gearhart, Water Resources Coordinator and Lynn Kramer, Contracts Manager.

Brent Waller and Kevin Meador of Front Range H2O, John Warren of Connell Resources and Adam Jokerst of West Water Research presented information on the VITA H2O Project located in the Upper Laramie Aquifer. They focused on the logistics and cost of delivering water to the South Platte River. Discussion followed.

The meeting was adjourned at 10:40 A.M.

Respectfully submitted,

Lynn Kramer
